## 1. Aims

At Fiddlers Lane Primary School, behaviour is understood as communication that arises within relationships, emotional states and lived experiences. This Positive Behaviour Curriculum replaces a compliance-based behaviour policy with a relational, developmental and needs-led approach.

Rather than separating practice into distinct models, our approach weaves together trauma awareness, unconditional positive regard and emotional coaching into a single, coherent way of being with children. These ideas are not strategies to be switched on and off; they are the foundation of every interaction, decision and response.

Behaviour is explicitly taught, supported and repaired in the same way that academic learning is: through modelling, practice, feedback and reflection. We hold a clear belief that *children do well if they can*, and that behaviour which challenges adults is best understood as an indicator of unmet needs, emotional overload or missing skills.

We believe in a consistent, structured and positive approach, setting a framework for acceptable behaviour which is understood and upheld by all members of the school family: children, parents, staff and governors.

## 2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils
- Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property
- [DfE guidance](#) explaining that maintained schools should publish their behaviour policy online

## **2. Our Relational Behaviour Framework**

All adults at Fiddlers Lane commit to an approach that:

- Prioritises emotional and physical safety as the basis for learning
- Communicates consistent messages of acceptance, belonging and care
- Responds to behaviour with curiosity rather than judgement
- Maintains clear boundaries while preserving dignity and connection

Children are never defined by their behaviour. High expectations are paired with high levels of support, recognising that regulation, behaviour and learning develop over time and through secure relationships.

Consistency across the school means that adults share a common language, mindset and values, not that children receive identical consequences regardless of need or context.

## **3. Behaviour as a Taught Curriculum**

Behaviour is treated as a curriculum area in its own right. Skills such as self-regulation, emotional expression, conflict resolution and repair are explicitly taught, practised and revisited.

This happens through:

- Adult modelling and language
- Planned PSHE and wellbeing teaching
- Day-to-day coaching in real situations
- Calm follow-up conversations that support reflection and learning

## **Fiddlers Lane statement of positive behaviour strategies**

At Fiddlers Lane Primary School, we expect the children to follow three school rules/ values:

- **Be Ready**
- **Be Respectful**
- **Be Safe**

The rules underpin the values we have as a school and encourage the children to care for each other and everyone in our school community.

## Be Ready

- **Be in school** – We come to school every day to help us learn and do our best.
- **Be on time** – We arrive at school and our lessons on time so we do not miss learning.
- **Wear your uniform** – We wear our school uniform and feel proud.
- **Bring what you need** – We bring the right things to school so we are ready to learn.
- **Join in** – We try new things and take part in everything our school offers.

## Be Respectful

- **Listen** – We listen carefully to each other.
- **Follow instructions** – We do what the grown-ups in school ask us to do.
- **Use good manners** – We always say “please,” “thank you,” and are kind to others.
- **Be polite** – We are polite and show respect to everyone in school and outside.
- **Look after our school** – We keep our school clean by picking up litter and keeping it tidy.

## Be Safe

- **Follow rules** – We follow the school rules to stay safe. We walk safely in school and keep to the left in the corridors.
- **Tell a trusted adult** – If we are worried about anything, we tell our teacher or a trusted adult in school.
- **Share your worries** – We talk to an adult we trust if something is bothering us, and they will help us.
- **Speak up** – If someone says or does something hurtful, we tell an adult so they can sort it out.
- **Stay safe online** – We protect ourselves online by not sharing personal details with strangers.
- **Be safe outside school** – We always let our parents know where we are and follow safety rules to stay away from danger.

All adults within our school will:

- Always speak to children in a calm and controlled manner.
- Trust, listen to, encourage, praise, value and respect every child.
- Be consistent in their treatment of all children.
- Recognise children's fears.
- Not jump to conclusions based on prior incidents. Help children to understand that their fears, difficulties, feelings etc are not unique.

- Ensure that when a child has done something wrong, he/she knows that it is the behaviour that is disliked, and not him or her.

Parents will hear regular good news about their child;

- 2 X Certificates awarded each week in celebration assembly by class teachers
- Headteacher certificates awarded in celebration assembly when children have gone 'above and beyond'
- Pupil of the term reward with the Headteacher for a 'above and beyond' child
- Stickers for good lunchtime behaviour
- School social media accounts regularly celebrating pupils' good behaviour
- Displaying work in classrooms and around school
- Positive message postcards or Dojo messages
- Written/ verbal comments to parents
- Stickers awarded by adults or other children for behaviour
- Texts and phone calls home
- Pupil of the year awards for children who have gone 'above and beyond'

#### **4. Behaviour System**

The Track It Light system provides a clear and consistent approach to recognising positive behaviour and addressing behaviour that falls below expectations.

- All pupils begin each day on Green.
- Pupils may move through Yellow, Orange and Red when behaviour does not meet expectations.
- Staff will provide reminders, support and opportunities for pupils to improve their behaviour choices.
- Pupils who respond positively to support can move back to Green.
- Any pupil who finishes a session on Red will receive a consequence and participate in a restorative reflection.

#### **Green: Ready to Learn**

All pupils start each day or session on Green. A pupil may receive one verbal reminder and remain on Green.

Positive behaviours recognised on Green include:

- Joining in and contributing well
- Sitting quietly

- Working hard
- Being helpful
- Showing great effort
- Ignoring inappropriate behaviour from others
- Being ready to learn first time
- Tidying up

Staff regularly recognise and praise these behaviours to reinforce positive choices and support a calm and productive learning environment.

### **Yellow: First Warning**

A pupil will move to Yellow after receiving a second reminder or displaying behaviour that disrupts learning.

Reasons for moving to Yellow may include:

- Not following instructions
- Talking at inappropriate times
- Not being on task
- Disrespectful or silly behaviour
- Negative attitude
- Distracting others
- Not being ready to learn
- Making a mess
- Other low-level disruptive behaviours

At Yellow, staff will explain the concern and remind the pupil of the expected behaviour. The pupil will be given an opportunity to improve and return to Green.

### **Orange: Second Warning**

A pupil will move to Orange if the behaviour continues following a Yellow warning.

Reasons for moving to Orange may include:

- Not following instructions
- Talking at inappropriate times
- Not being on task
- Disrespectful or silly behaviour
- Negative attitude
- Distracting others
- Not being ready to learn or being late
- Making a mess
- Other behaviours that continue despite support and reminders

At Orange, pupils will receive a final warning and a further opportunity to make positive choices and return to Green.

### **Red: Final Step**

A pupil will move to Red when behaviour continues following Orange, or when a serious incident warrants an immediate move to Red.

Reasons for moving to Red may include:

- Persistent negative behaviour
- Dangerous behaviour
- Bullying
- Disrespectful or inappropriate behaviour
- Negative attitude
- Aggressive behaviour
- Violence towards others
- Deliberate damage to property
- Other serious breaches of the school's expectations

Staff will clearly explain why the pupil has been moved to Red and what will happen next.

If a pupil remains on Red at the end of the session, they will receive a consequence immediately after that session. This consequence will be supervised by the member of staff who issued it and will include a Reflection and restorative conversation focused on:

- What happened
- The impact of the behaviour on others
- What could have been done differently
- How similar situations can be handled successfully in the future

Serious incidents involving bullying, violence, dangerous behaviour or significant property damage may result in additional sanctions in line with the school's Behaviour Policy and may require the involvement of senior leaders and parents/carers.

### EYFS Behaviour Expectations

We link our behaviour expectations to our Fiddlers Lane Values. We make clear the behaviours that we expect children to exhibit and the consequences when they make the wrong choices.

| We are Respectful...                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                    |

### KS1 Behaviour Expectations

We link our behaviour expectations to our Fiddlers Lane Values. We make clear the behaviours that we expect children to exhibit and the consequences when they make the wrong choices.

| We are Respectful...                      |                                                                                                                                                   |                                     |

**Warnings:** You will get a verbal reminder of the school expectations. If you do not improve your behaviour you will be given a warning. If you receive 2 warnings you will have a 5-minute timeout. A 3rd warning means you will walk around with an adult at playtime. If you continue and receive a 4th warning you will be exited from class and receive a lunchtime reflection. Where your behaviour is very serious a senior leader will be called and you may be removed from class and may be given a more serious consequence.

### **KS2 Behaviour Expectations**

**We link our behaviour expectations to our Fiddlers Lane Values. We make clear the behaviours that we expect children to exhibit and the consequences when they make the wrong choices.**

**Warnings:** At first you will be given a verbal reminder of the school expectations. If your behaviour does not improve you will be given a warning. If you get two warnings you will miss part of your break time. If you receive a fourth warning you will be exited for a full session to work in another class and you will receive a lunchtime reflection. Where your behaviour is very serious a senior leader will be called and you may be removed from class and may be given a more serious consequence.

| Persistent lunchtime<br>behaviour incidents.                                                                                                                                                                                                         | 2 week lunch time exclusion. Child must be collected by parent/carer 12-1pm each day.                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                |

## **5. Roles and responsibilities**

### **5.1 The governing board**

Fiddlers Lane Community Primary School Governing Body is responsible for reviewing and approving the written statement of behaviour principles

Fiddlers Lane Community Primary School Governing Body will also review this behaviour policy in conjunction with the Headteacher and monitor the policy's effectiveness, holding the Headteacher to account for its implementation.

### **5.2 The Headteacher**

The Headteacher is reviewing this behaviour policy in conjunction with Fiddlers Lane Community Primary School Local Governing Board, giving due consideration to the school's statement of behaviour principles.

The Headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

### **5.3 Staff**

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents

The senior leadership team will support staff in responding to behaviour incidents.

### **5.4 Parents**

Parents are expected to:

- Support their child in adhering to the pupil code of conduct
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher / staff promptly

## **6. School rules**

All pupils must follow these school values:

- Be Ready
- Be Respectful

- Be Safe

## 7. Rewards

At Fiddlers Lane we use praise regularly and focus on positive learning behaviours and attitudes. We celebrate improvements and effort put into tasks and activities.

Below are the rewards used at Fiddlers Lane:

Positive behaviour will be rewarded with:

- **Praise** – Given constantly, by all staff, for pupils showing positive behaviours.

**Use of stickers/stamps**

**Visit to head teacher/SLT to share good work/attitude/behaviour**

**Certificates – assembly and in class**

**Dojo message/Postcards/phone calls home**

- RIP and PIP **PIP= Praise in Public RIP= Remind in Private**
- Work displayed in class and corridors for attainment and effort
- **Whole Class rewards** –classes work towards a class goal of achieving a target number of dojos, if the class achieve it by the end of the term the class receives a reward. This is chosen by the class in conjunction with their class teacher every term. The points can be collected either as an accumulation of all Dojo points or use of a physical system such as in a jar. Every class will have one of these rewards part-funded by school fund.

Rewards can be awarded for:

Showing good learning behaviour  
Contributing to discussions  
Good work  
Good effort  
Showing good manners / being polite

## 8. Restorative practice

When a pupil has a sanction, there is a focus on restorative practice, with adults questioning the pupil and encouraging them to think about what happened and what they could have done differently/ will do differently next time.

Following a behaviour incident, the member of staff will ask some of the following questions.

- ***What happened?***
- ***What were you thinking at the time?***
- ***What have you thought since?***

- ***How does this make people feel?***
- ***Who has been affected?***
- ***How have they been affected?***
- ***What should you do to put things right?***

During lunchtime reflection, children will reflect on the incident and think about their feelings at this time, what triggered the behaviour, who was affected by the behaviour, what they could do better next time and how they can begin to restore relationships.

## **8.2 Off-site behaviour**

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to the visit. The school behaviour policy is followed on residential trips. Risk assessments must be carried out to identify and manage risks around behaviour.

## **9. EYFS behaviour**

### **9.1 EYFS behaviour philosophy**

We want our early years setting to be a calm, purposeful, happy and inviting atmosphere, where learning can take place and staff and children feel safe, secure and motivated. We believe we should be preparing children to be independent in their learning, in an environment where teachers have a right to teach and children have a right to learn. It is important that children feel valued, independent, respected, included, engaged and able to form relationships with both adults and children. We also believe that children should be free from humiliation and encouraged to learn from their mistakes.

We believe that children should be polite, caring towards each other, able to respect resources and the play of others, able to engage in the rules and routines of the setting and to show the ability to listen and respond to adults. We believe adults should feel included in a whole team approach to behaviour where they are able to share responsibilities, knowledge and concerns. It is important that adults can communicate with other adults and children, can feel safe in the work place and are confident to deal with a variety of situations and behaviour issues. It is essential that all staff members' opinions and ideas are taken into account and that they are valued and respected.

We believe adults should be good role models, who are sensitive to individual children and are able to respect children's mistakes and ensure that children learn from them. We aim to never humiliate, label, make fun of, or talk negatively about children under any circumstance. We think that adults should be; understanding, caring, patient and willing to listen to children. We believe that all children from all backgrounds should be included, respected and valued.

## 9.2 EYFS rules

We promote the following rules;

- Be Ready
- Be Respectful
- Be Safe

All staff focus praise on children's efforts and positive behaviour through verbal praise, rewards and celebrations, e.g. praise, stickers, stamp charts, certificates, visits to the Head teacher, talking to parents at the end of the day. To generate internal motivation, we notice and enquire, for example, *'I noticed you didn't give up on trying to connect that jigsaw piece, and you did it! How do you feel now you've done it?'*

## 9.3 EYFS rewards

As section 7.

## 9.4 EYFS systems and sanctions

IN EYFS, as with the rest of school, positive behaviours are spotted all the time and children move their names up in response to positive behaviour they have displayed.

In EYFS, the pupils use the same system as the rest of the school, with green, silver and gold on display and amber and red hidden from sight.

Sanctions in EYFS happen immediately. If a child has not responded to warnings and needs to be put on amber or red, then they will do an immediate time out in the EYFS classroom, if a further incident happens they will miss 5 minutes of their playtime or lunchtime, if further incidents occur they will be sent to the KS1 classroom for 10 minutes. For more serious incidents, the child could be sent to a member of SLT to do the time out.

## 10. Physical Intervention

As a duty of care, in some circumstances, staff may use physical intervention to prevent pupils:

- Hurting themselves or others
- Damaging property

Staff will ensure other pupils are removed from the area and the environment made safe.

Incidents of physical restraint must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Be recorded on CPOMS and reported to parents

## 11. Confiscation

**Any prohibited items (listed in section 3) found in pupils' possession will be confiscated.** These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to parents / carers after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

## 12. Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's Special Educational Needs Co-ordinator will evaluate pupils who exhibit challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

Pupils who cannot work within the school behaviour policy have a personally adapted behaviour strategy, which gives the pupil and staff clear guidelines regarding which areas pupils have difficulties with.

The support given to pupils with adapted behaviour strategies are reviewed on a half termly bases – or sooner if required.

[See appendix 5 sample behaviour plan](#)

## 13. Risk Assessments

Any pupil that requires a Behaviour Support Plan may also need a risk assessment which considers the identification of any activities or environments that are associated with risk, establish the likelihood of risk for an individual pupil or pupils, estimate the consequences of a negative outcome and take steps to avoid unreasonable risk. Risk assessment should contain all relevant information and be regularly reviewed. Like Behaviour Support Plans, all pupil risk assessments will be shared and signed by parents/carers.

[See appendix 6 Sample Risk assessment](#)

**14 Active Strategies** are those which are used when a pupil is displaying signs of challenging behaviour and consists of strategies used to defuse or de-escalate situations: -

- Be aware of any warning signs that inappropriate behaviour may occur.
- Divert and distract by adding another activity or topic.
- Display calm body language.
- Talk low, slow and quietly.
- Use appropriate humour.
- Continue to remind of appropriate behaviour.
- Offer alternatives and options.
- Offer clear choices.
- Give clear directions for pupils to stop.
- Remind pupils about rules and likely outcomes.
- Catch pupils being good and praise.
- Calmly and quietly repeat instructions.
- 'First....then....' (using symbols) –First do required activity, and then receive favoured activity as reward.
- Remove pupil away from trigger and remove trigger.
- Remove an audience or take vulnerable pupils to a safer place.
- Use safe defensive measures, guiding the pupil away if they are trying to make physical contact.
- Ensure that colleagues know what is happening, and get help.

A well-chosen word can sometimes avert an escalating crisis. When pupils are becoming angry, there is no point in getting into an argument. Telling people to calm down can actually cause more anxiety. Pointing out what the pupil has done wrong can make things worse. The only purpose in communicating with an angry person is to prevent further escalation. It is better to say nothing and take time to choose your words carefully than to say the wrong thing and provoke a further escalation.

### **14.1 Reactive Interventions**

Restrictive interventions are the strategies that will be used if a pupil's behaviour escalates into a crisis situation, and could include the following:

- Make the environment safe.
- Move furniture.
- Remove objects that can be used as weapons.
- Guide assertively – hold or restrain only if absolutely necessary.
- Change member of staff as needed.
- Planned ignoring.
- In a firm tone, repeat instructions.
- Inform pupils of consequences of his actions.

- Remove pupils to a safe area.
- Offer choices.
- Allow pupil time and space to:
  - Process information and respond
  - Physically recover
  - Talk about the incident

Individual behaviour plans may be used and are discussed with parents / carers. Some strategies may require parental support, where a pupil's behaviour is considered to be unduly disruptive to others or causing distress to the pupil themselves, regular withdrawal or time out may be negotiated. These plans are regularly reviewed. Copies are uploaded to CPOMS.

## **15. Logging incidents CPOMS**

All behaviour incidents which result in a red and a sanction at the end of the session are recoded on CPOMS.

Regular patterns of behaviours should also be recorded.

Staff complete an on-line record of incidents including the time, date, other pupils involved and any actions taken or sanctions given. Parent meetings and phone calls are also recorded on the system.

As part of their induction new staff receive training on the CPOMS monitoring system.

## **16. Pupil transition**

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

Year 6 pupils liaise with KS3 staff from the high schools that pupils will be attending regarding behaviour. Behaviour records are transferred to new schools via CPOMS. If new schools do not have CPOMS systems key documents are sent electronically (printed to pdf and sent by secure transfer)

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools through CPOMS.

Where pupils are at alternative provision and dual registered, behaviour logs and updates are sent weekly to inform staff of progress towards targets.

## **17. Training**

Our staff are provided with training on managing behaviour as part of their induction process.

Behaviour management also forms part of continuing professional development. Staff receive annual refresher and discussions around behaviour.

Senior leaders are available to give advice and coaching sessions regarding behaviour. The SEND Co observe lessons to enable coaching / strategies around behaviour management.

The Primary intervention team (PIT) also observe pupils and suggest next steps / interventions / support programs.

## **18. Monitoring arrangements**

This behaviour policy will be reviewed by the Headteacher, and Fiddlers Lane Community Primary School Governors annually. At each review, the policy will be approved by the Headteacher and Chair of Governors.

The written statement of behaviour principles section will be reviewed and approved by Fiddlers Lane Community Primary School Governors every year.
